Vegetable Seed Trials

IMPORTANT NOTICE

The time has come when the growers are asking for a higher standard and with this thought in mind, I will have a few standard varieties of Tomatoes, Peppers and Egg-Plants Certified this year by the State of New Jersey. While I am exercising great care in breeding my stock seeds and improving them each year, still there comes a call from the Trade for Certified Seed, which I can produce with the able assistance of the Certification Board of the State of New Jersey, at the reasonable price of fifty cents per pound above our list price.
